

OGPE.COM

OIL, GAS & petrochem equipment™

Media Kit 2015

More Leads. More Traffic. More Sales. More Profit.

Oil, Gas & Petrochem Equipment Over 60 Years of Products & Services

- We publish more product news than any other petroleum brand.
- Over 100,000+ global reach — 40,000 magazine circulation
- PennWell's second longest continuously published brand with *Oil & Gas Journal*
- Partnering with hundreds of manufacturers and service provider advertisers — and their agencies

2015: More Useful Information & Content on “What’s New” in Onshore & Offshore Products & Services

Oil, Gas & Petrochem Equipment / OGPE.com begins its' sixth decade as PennWell's **only all-petroleum-products-and-services brand**. Since our beginning as the products media extension of Oil & Gas Journal — our mission remains:

Tell buyers, specifiers, and purchasing decision-makers about the newest or improved onshore and offshore products and services. Offer them free information and literature, then help them engage with your company.

Our goal is to **partner with you to tell the global oil and gas industry about your products and services**. Our brand continues to expand beyond traditional magazine media with global digital delivery to qualified subscribers plus an array of online offerings.

Let us collaborate and partner with your company to deliver more **leads** — more **web traffic** — more **sales** — more **profit**.

This 2015 media kit presents OG&PE's **partnership with ROI**: top-quality leads, complete product editorial attention and complement, unlimited web opportunities, and our pledge to provide the best possible advertiser experience.

OG&PE / OGPE.com: Your Single, Most Complete Source of “What’s New,” Quality Leads & Web Traffic

Ad Material Submission:

Upload to our FTP site: go to digitalads.pennwell.com.

Click either "Online Material" or "Print Material."

Select Oil, Gas & Petrochem Equipment (OG&PE) from scroll-down menu.

Fill in required information, select Upload Ad.

The FTP site accepts up to 250 MB. Stuff or zip files before sending. You will receive confirmation.

Send print materials to: admaterial@pennwell.com

Send physical material to:

PennWell Corporation

Attn: Ad Traffic Team

1421 South Sheridan Road

Tulsa OK 74112 USA

918 831 9484

Supplying Ad Materials:

PennWell prefers ad material to be supplied as PDF with PDF/X-1a format option. We also accept ads built in Adobe InDesign, PageMaker, Illustrator, Freehand, Photoshop, and QuarkXpress.

Please supply all fonts, images, and artwork with adds supplied in these applications. All supplied material should be in CMYK color and have fonts embedded in all graphics.

PennWell **does not accept ads** built in Microsoft Word, Publisher, PowerPoint, or CorelDRAW

PennWell requires a high-resolution color proof of supplied ads to guarantee reproduction. This applies even on uploaded materials. If you do not supply this proof, we cannot guarantee ad reproduction.

For complete PennWell printing specifications: digitalads.pennwell.com and select your ad type.

OG&PE Petroleum Buyers Guide

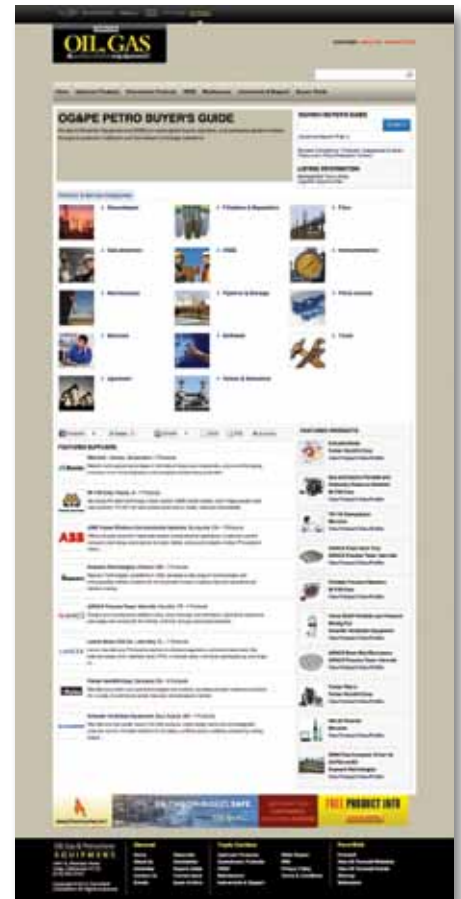

The Petroleum Buyers Guide enables users to gain targeted, timely, and valuable information through real-time comparisons of products, online interaction with suppliers and peers, as access to relevant content from industry brands. Unlike broad search engines or other websites, the Petroleum Buyers Guide is specifically designed to enhance, expedite, and complete the buying process while providing users with indispensable user comments, industry news, and analysis.

Three package options are available to meet your specific budget and marketing objectives. Our most comprehensive option, the All-Access package, offers your company its own microsite, or mini-website.

Contact your OGPE sales representative for more information.

	Select	Select Plus	All Access
Package Pricing	\$495	\$995	\$5,995

Oil, Gas & Petrochem Equipment Products

Webcasts

- Vendor Sponsored
- Continuing Education/Certification
- Editorial

Generate sales leads and raise awareness with an audience that registers to participate in an educational industry event. Sponsor an event or create your own, leveraging PowerPoint and/or Video, plus a testing and certification option. Webcasting products are highly interactive with global reach, a twelve-month archive, and 24/7 access to a complete registrant report.

Single Sponsorship **\$10,000 - \$12,000**

Custom Video Advertising

Video Advertising

With the support of a full broadcast quality video production crew, you can create a product demonstration or conduct a one-on-one interview with the editor at a tradeshow or the location of your choice. The final video will be posted on OGPE.com, giving you valuable exposure to qualified industry buyers. Also included in the video packages are additional marketing efforts to help promote your video. Call for package details and pricing.

Tradeshow Video

The package includes up to three days of online video and news coverage of your event, giving you the opportunity to extend and promote your event to a global audience. The video is produced by OGPE.com and distributed through post-event direct email promotions, driving viewer traffic to your website. Call for packaging details and pricing.

Customer Provided Video

Provide a 3 to 5 minute video of your latest product information, company news, etc. to be posted on OGPE.com. **\$600/month**

Your video will be announced on our weekly e-Newsletter with a link to its' OGPE.com posting.

In the last year, our audience's use of Webcasts has increased by over 32%.

41% of our audience finds **Video** to be the most useful rich media advertising enhancement on OGPE.com.

58% of our audience rely on Whitepapers to do their job.

*stats from 2014 OGPE Audience Survey

Oil, Gas & Petrochem Equipment 2015 Yearly contests

Throughout the year, OG&PE engages its oil and gas audience with topical contests. These contests deliver quality leads, drive traffic to sponsors websites, and increase overall audience engagement.

Contest types include trivia, photo submission, or customized to fit your brand.

Contests use social media and broad marketing channels to reach the audiences most likely to participate.

As a contest sponsor, your company awareness will grow with increased audience engagement.

Contest Sponsorship Benefits:

- Lead Generation
- Web Traffic
- Logo on all marketing materials
- Logo on promotional emails
- Banner ads on OGPE.com
- Banner ads in Weekly e-Newsletter
- Within OG&PE magazine
- Wrap-up slideshow (photos) on OGPE.com

As a unique lead-gen and web traffic opportunity, OG&PE contest sponsors receive all data on contest participants.

Contact your OG&PE sales representative for contest sponsorship specifics.

When visiting our **OGPE.com**,

68%

of our audience find Photo Galleries and/or Contests to be the most useful rich media enhancements.

We know the Oil and Gas Industry!

And, we know that ROI is more important than ever before.

We can assist you with:

Design & Development Services

Your customers care about the bottom line. How do you grab their attention? Create a compelling, targeted, no-nonsense message communicating what you have to offer with just the right balance of information to inspire a purchase, call or click-through. Our creative team of designers, copywriters and programmers knows how to get the job done.

- » Marketing brochures
- » Trade show signage and display
- » Re-launching your website; SEO optimized and mobile ready
- » Print ads, rich media ads, html emails
- » Video

Marketing Consulting

Do you have a new product to launch? Entering a new industry? Need help with media planning or a corporate event? Our team of marketing professionals understands the value of listening and learning. We can help with both strategic and tactical planning.

Here's how we can help:

- » Messaging
- » Email marketing
- » Social media strategy
- » Thought leadership programs
- » Media planning and campaign strategy
- » Web analytics review
- » Event planning: Managing your corporate event for up to 250 attendees
- » Competitive analysis

Examples of Our Work:

PennGage is Your Answer to Achieving ROI.

Most marketing automation platforms are very cumbersome, time consuming and use all your staff's resources. PennGage is a fully managed service that frees up your staff to do other important tasks. We will manage your marketing campaigns while you manage your business:

- » Identifies, at the individual level, who is visiting your website and what pages they are reading
- » Pushes automated messages to extend your ad spend
- » Integrates with most CRMs
- » Nurtures leads till sales close
- » Provides detailed reports, analytics and alerts
