

Oil & Gas Journal's Drilling Special

OIL & GAS JOURNAL covers the market from upstream through midstream and downstream. DRILLING & PRODUCTION is one of the main subjects ... every week ... in every issue.

We now offer you an additional (cheaper) way to reach more of your customers in the #1 read publication in oil & gas ... **a way to reach the drilling / contracting readers of the 'Journal' in a special section every other month, at a special demographic rate.**

Publishing Schedule:

January 10, 2005	May 2, 2005	Sept. 5, 2005
March 7, 2005	July 11, 2005	Nov. 7, 2005

Circulation: Over 42,000 targeted subscribers

5,300 drilling contractors,
10,450 operating managers / managers at producing companies
plus the full 27,000+ digital subscribers at producing companies *)
