SUPPLEMENTARY DATA FOR THE ISSUE OF MAY 2008		
This is an analysis of 28,009 or 93.4% of respondents who specify, recommend, approve or purchase equipment or services. (See question #3 on the questionnaire used to elicit these data on the back of this report.) Since any one respondent may have checked more than one response, the totals for each of these types of equipment or services should not be added together as the total may exceed the total circulation. These data are presented for statistical and marketing purposes.
