

2011 Offshore Events Calendar

Topsides, Platforms and Hulls Conference & Exhibition

Focus on this essential link for offshore oil and gas production, both shallow and deepwater.
1-3 February, Galveston

Subsea Tieback Forum and Exhibition (SSTB)

The world's leading conference for this highly important section of the deepwater industry drawing over 2,600 attendees in 2010.
22-24 February, San Antonio

Offshore West Africa Conference and Exhibition (OWA)

One of the oldest and most respected conferences and exhibitions for the marine oil and gas industry in West Africa. In 2010, the event attracted over 1,100 visitors from 34 countries.
15-17 March, Accra, Ghana

Offshore Asia Conference and Exhibition

Drew over 5,000 attendees from 63 countries in 2010 and is expected to exceed that in 2011. The 2011 conference will also include an LNG track.
29-31 March, Singapore

Petrosafe Offshore Forum

Focus is on the increasingly important area of risk management and consequence mitigation.
14-15 June, New Orleans

Offshore India Conference and Exhibition plus Unconventional Oil & Gas India Conference and Exhibition

These co-located conferences are an every other year event alternating with Offshore Middle East (OME) which will return to Doha, Qatar, in the fall of 2012.
14-16 September, Mumbai

Deep Offshore Technology International (DOT)

The world's premiere technical conference for deepwater. DOT promises to be very well attended, as the industry is anxious to hear the latest technical information following the US deepwater moratorium.
11-13 October, New Orleans

Deepwater Operations Forum and Exhibition

This event drew almost 800 attendees in 2010, and has grown to be the leading conference for this specialized arena.
1-3 November, Galveston
